@LindseyGrahamSC where is the special counsel now?

3 19 85

❌Firewolf❌ @timaugust5 · 29 mar

He's officially asked for it a while back. Barr holds the cards to do it. patience it's coming. actually Clapper would be better off having special counsel rather than Barr as he doesn't f#%k around. either is good but yes a counsel could have more focus.. hang in there

2 4 22

GailC @gailcotten2gma1 · 29 mar

They already have everything they need to go to Grand Jury. SC would only create delays, bump up against election season and get buried until at least 2020 (terminated if Trump looses). I still don't trust Lindsay and the others wanting a SC. Barr needs to end this now

The Fire is tragic like the Dems attempt to connect all things bad to President Trump.

To use California's Governor Newsom's own words.
"It is sophomoric and petulant and par for the course."

Now Gavin was speaking of Trump and placing illegals in Sanctuary Cities.

Americans reject those anti-Semite congresswomen. We want them out of our government. Minnesota needs to be examined. Obama stocked it with anti-American, anti-Semite foreigners who then voted to put these kind of congressional representatives in place. Not good.

I was NOT going to fire Bob Mueller, and did not fire Bob Mueller. In fact, he was allowed to finish his Report with unprecedented help from the Trump Administration. Actually, lawyer Don McGahn had a much better chance of being fired than Mueller. Never a big fan!

TRUMP: I never liked you Don McGahn. You were soft. I had eyes for another! (Dramatic Organ music) It was Bob Mueller if you must know. I like strong men. When I told you to fire him it was a test, to see how you would fail. And fail you did!
(Throws drink at McGahn.)

TRUMP: And another thing. Rudy isn't going to Ukraine.
(Gasps) That's right. Not going. He is staying here, right by my side, a lawyers' place. Something you never understood McGahn!

James Woods deserves a medal of Honor for his help during CA fires. He single handedly saved 100's plus animals by using HIS Twitter as a central hub to direct others to safety. For days. With no sleep.

Hi, I'm Scott. I spent 2 years of my life working to defeat Hillary. If each of us registers 5 new Republican voters, Trump wins in 2020!

Joined the pastors of Mt Pleasant Baptist Church, St. Mary Baptist Church, & Greater Union Baptist Church at what remains of Mt Pleasant after an arsonist set fire to these 3 churches. What happened here was evil, but these communities of faith overcame evil with good.

Honored to be with these congregations. @POTUS & are with you. Our prayers are with you. Your resilience, your faith, and your courage in the wake of this unspeakable evil is an inspiration. Hate has no place in a house of worship

I've noticed any place where the GOP run a state, that is usually a booming economy. Sadly the left denies this... but just look at states run by a Democrat. My state is not exception. New Mexico has become awful
but it is a majority of democarts who run the state

You know what would be amazing?

If 1% of the President's followers had the courage to Retweet his amazing tweets..

Have some courage, we're going to need a few of you to crawl out of the "worried about offending folks" zone to win in 2020..

James Woods is very much missed by all his followers, who greatly appreciated his knowledge and wit. Twitter was clearly very intimidated by this great conservative, so being the fascists that they are they silenced him. Twitter is a modern day book burner!

I hope the Secret Service paid them a visit. It is a federal crime to threaten the President of the United States. "I really didn't mean it" is no excuse. The law is clear. Our problem now is we aren't enforcing federal law and jailing people like this.

I was visiting Orlando, and one of my Uber drivers was an attorney who fled Venezuela. She said only Maduro and the military have guns, and as long as the military supported him, Maduro would remain in power. Your point exactly

That's how it works they take the public's right to bear arms, there goes your right for free speech. Socialism comes in but socialism can only work in a utopia! When man's involved you always have a Maduro, Castro, etc

In the past weeks, Gov. @GregAbbott_TX has:

Banned red light cameras
OK'd beer delivery
Protected free speech on college campuses
Allowed kids to run lemonade stands
Signed the Save Chick-fil-A bill
Banned deceptive telemarketer calls

Let's all be more like Texas.

Win or lose, you can guarantee one thing tomorrow.

Conservatives will get up, we'll take our kids to school, and we'll go to work.

Remember that today folks when voting.

Only one side throws temper tantrums and riots in the streets when they don't win.

So liberals are upset about Kyle Kashuv saying things when he was 16, but not upset about the Governor of Virginia dressing up in Black Face and a Klansman outfit... ?

Just want to make sure I'm understanding this right..

It's almost been 3 years.. Seth Rich's Murder remains unsolved..

We have the body cams for Las Vegas, Parkland, but yet we still don't have the body cams for the murder of a "botched robbery" victim..

If AG Barr wants to get the credibility of the DOJ back he had better start with this Epstein Suicide/Murder. There had better be full transparency in this investigation. The first thing I want to know is why is Comey's daughter anywhere near this case?

The case against Epstein with ties to the Clintons et al and the criminal conduct by her father disgraced former FBI director in aiding HRC to skate on her criminal case should have sent off alarms. Now that Epstein's suspicious death comes into question how can you not start

with investigating Comey's daughter and work your way out. By Barr being totally transparent (warts and all) he could find out what happened and either fire or prosecute those responsible. Then pick up the pace & start prosecuting the Deep Staters one by one!
